

Sacred Spaces

Native plant restoration that creates thriving habitats for wildlife, and healing, reconnection space for people

Shy Walker

02

Project Description

Sacred Spaces is recreational project along a 0.7 mile portion of the trail from the Damon Slough Staging Area to East Creek Point to Garretson Point.

We want to implement four mental wellness zones along the trail that promote several elements including, habitat restoration with native vegetation planting, Mass Audubon All Persons Trail concepts, and interactive spiritual and mental wellness space that better support eco-mental re-connectivity.

Environmental Factors

Marshy area downstream of two urban creeks, near the busy Oakland Coliseum, and runs under the I-880.ions are communication tools.

Sociodemographic Factors:

Muwekma, Chochenyo, Lisjan Indigenous Land; Latinx and Black folks are the majority of the population in the area. The poverty percentile for this census tract is 76, meaning the percent of people living below twice the poverty level is higher than 76% of the census tracts in California.

Schedule

Phase 1: Generation 6 Mos - 1 Year

- Project Management Roles & Responsibilities, Research, Design concept building, Community outreach and engagement, Partnership building, Pilot One Zone

Phase 2: Implementation 3-5 Years

Design concept finalization, Staff and contractor hiring, Community outreach and engagement, Partnership building, Groundbreaking, Project build-out

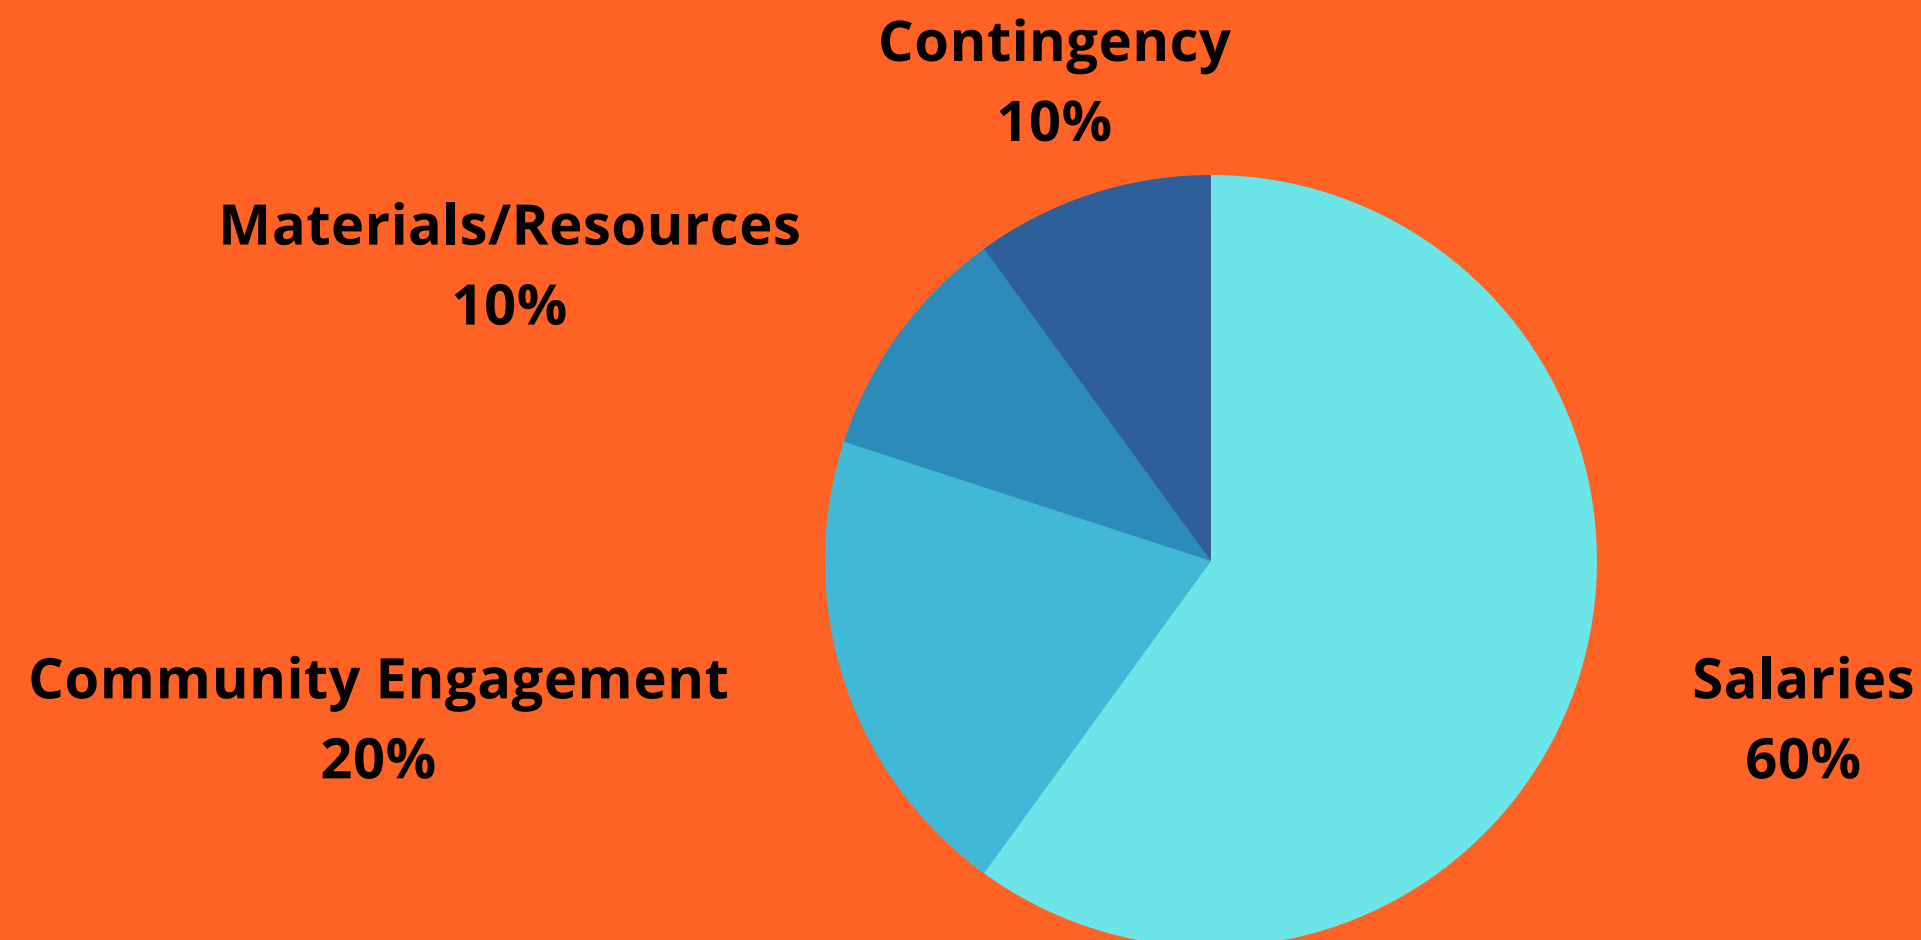

Phase 3: Maintenance Ongoing

Maintenance management of plants and equipment

Budget

Phase 1 - Generation:
\$100,000

Implementation Plan

10

01

Conceptualize

- Project Management Roles & Responsibilities
- Key Partners
- Research

02

Budget

- Measure AA Community Grant
- Partner with an agency + EOC?
- Pilot One Zone

03

Schedule

- Strategize Community Engagement
- Get ideas about a design
